

PSYCHOLOGY DEPARTMENT REGISTRATION

Special group registration for Winter and Spring 2016 begins on November, 2, 2015. If you are part of the following groups, please contact your respective advisors for registration information: Macaulay Honors College, Honors and Scholarships, SEEK, HMNS, Athletics, Special Services, Student Ambassadors, and Student Leaders. Please keep in mind that limited seats are available for special groups. See your advisor for important restrictions on 213W and Advanced Experimental registration.

All other Psych students will register via CUNYfirst during the regular registration period, starting on November 9, 2015. See schedule below.

WINTER AND SPRING 2016 -- REGISTRATION SCHEDULE:		
<u>Academic Level</u>	<u>Earned Credits</u>	<u>REGISTRATION DATE</u>
Matriculated Graduate/ Veterans/Visiting Students		Mon, November 9
Seniors	90-120+	Tues, November 10
Juniors & 2nd BA	60-89.9	Wed, November 11
Sophomores	30-59.9	Thurs, November 12
Freshmen	00-29.9	Fri, November 13
New Freshman and New Transfers		Mon, November 16
All non-degree students		Mon, November 30

Students register according to their academic level. The academic level is determined by the number of credits earned plus the number of credits attempted during the current semester.

In order to register, you must:

- 1) Check your Student Center on CUNYfirst for your exact **registration date and time**. There should be two different registration times listed for each person- one for Winter and one for Spring 2016.
- 2) If you do not have an appointment date listed, visit ONE STOP CENTER (DH128) **immediately**.
- 3) Remove any holds on your account.
- 4) Use CUNYfirst to register for classes on your **assigned date and time**.

=====

VERY IMPORTANT: Registration in Psych 213W and Advanced Experimental Classes (Psych 311- 321)

are restricted to students who meet the following requirements:

- JUNIOR OR SENIOR CLASS STANDING
- OFFICIALLY DECLARED PSYCHOLOGY OR NEUROSCIENCE MAJORS
(Students who have recently declared their major during the current semester are eligible as long as the major is listed on your CUNYfirst account prior to your registration date)

Students meeting these requirements will register on CUNYfirst during their **assigned appointment day and time**.

Please keep in mind that students may only register for **ONE** section of ADVANCED EXPERIMENTAL- - Any additional sections of Advanced Experimental on a student's schedule will be **dropped**.
