Making your project ideas precise.

Group Activity. Take some time to talk with the other people at your table.

► Introduce yourself. (your name, where you're from, your major)
► Fill out **the front of** your notecard:
    ► Write your name. (Stylize if you wish.)
    ► Write a few words related to your name.
    ► *Draw* something in the remaining space.
► Discuss with your groupmates why you wrote what you wrote.
► Exchange contact information. (phone / email / other)

► Work in your group on the worksheet.
